- Be reasonable in your demands on the young player's time, energy and enthusiasm. Remember that they have other interests and demands on their time.
- Teach your players that laws of the game are mutual agreements, which no one should evade or break.
- Ensure that all players get a game. The 'just average' players need and deserve equal time.
- Remember that young people play for fun and enjoyment and that winning is only part of it. Never ridicule or yell at the players for making mistakes or losing a game.
- The scheduling and length of practice times and games should take into consideration the maturity level of the players.
- Develop team respect for the ability of opponents, as well as, the judgment of referees and opposing coaches.
- Remember that young people need a coach they can respect. Be generous with your praise when it is deserved and set a good example.
- Make a personal commitment to keep yourself informed on sound coaching principles and the principles of growth and development of young people.

- Encourage young people to develop basic skills and avoid over-specialisation in positional play during their formative years.
- Create opportunities to teach sportsmanship, just as you would in teaching the basic skills.
- Ensure that efforts for both skill improvement and good sportsmanship are rewarded by praise.
- Ensure that skill learning and free play activities have priority over highly structured competitions for very young people.
- **INSIST ON FAIR PLAY**, do not tolerate foul play, fighting, or foul language. Be prepared to sit an offending player out of training or a game for repeated infringements. If they persist with this type of behavior discuss the situation with the committee who will decide whether a suspension is warranted.
- Discourage excessive talk on the pitch.
- **INSIST** on a disciplined approach by players and mean what you say.
- Set a good example by personal good behaviour.

(d) SUB JUNIOR PLAYERS CODE

- Play for the 'enjoyment', not just to please your parents or coach.
- Play the laws of the game of Rugby
- Never argue with the referee's decisions. Let your captain ask any necessary questions.
- Control your temper – no 'mouthing off'.
- Work equally hard for yourself and your team – you team's performance will benefit and so will your own.
- Be a good sport. Applaud all good play, whether by your team or by your opponent.
- Treat all players, as you yourself would like to be treated. Don't interfere with, bully or take unfair advantage of any player.
- Remember that the goals of the game are to have fun, improve your skills and feel good. Don't be a show off or always try to get the most points.
- Co-operate with your coach, manager, team mates, referee and opponents, for without them you don't have a game.

5. SPECTATORS CODE

- Remember that young people play organised sports for their own fun. They are not there to entertain you and they are not miniature Wallabies.
- Be on your best behaviour. Don't use offensive language, or harass players, coaches, referees or other spectators.
- Applaud good play by your own team and the opposition team.

- Show respect for your team's opponents. Without them there would be no games.
- Never ridicule or scold a player for making a mistake during the game.
- Condemn the use of violence in all forms.
- Respect the referee's decisions.
- Encourage players to play according to the laws.
- SLEDGING: THIS CANNOT BE ACCEPTED in any shape or form. Players and Referees are NOT fair game.
- Do not approach a referee/touch judge at any stage during or immediately after a game.

6. SAFETY GUIDELINES

(a) INJURY MANAGEMENT

See the club website under “Resources” (www.mudgeerugby.com) for copies of the ARU Medical and Safety Guidelines, the Serious Injury Protocol and the Serious Injury Report Form. All coaches and managers should make themselves fully aware of these documents.

(b) MANAGEMENT OF CONCUSSION

Guideline Principles

- Concussion must **be taken extremely seriously** to safeguard long term Player welfare.
- Players suspected of having concussion **must be removed from play** and **must not resume play** in the match or training.
- Players suspected of having concussion **must be medically assessed**.
- Players suspected of having concussion or diagnosed with concussion **must go through a graduated return to play protocol (GRTP)**.
- Players must **receive medical clearance before returning to play**.

Stage 1: Diagnosis and Management of Concussion

This includes protocols for diagnosis and management of concussion, when a Medical Practitioner and/or Healthcare Professional IS present, and is NOT present.

Medical Practitioner / Healthcare Professional IS present to diagnose and manage concussion.

Where an injury event with the potential to cause a head injury or concussion occurs and there is a Medical Practitioner or Healthcare Professional present -

- The Player will be examined and if any of the signs or symptoms of concussion (as per **Pocket CRT**), the Player **MUST** be removed from the field of play in a safe manner for a comprehensive medical evaluation.

- The Player **MUST NOT** resume play once removed from the field for suspected concussion.

Medical Practitioner/Healthcare Professional is NOT present to diagnose & manage concussion.

If there is NOT a Medical Practitioner or Healthcare Professional present -

- The Player who is injured may be disorientated and unable to make a judgement about their own condition. Fellow Players, coaches, Match Officials, team managers, administrators or parents who observe an injured Player displaying any of the signs or symptoms the head injury or concussion **MUST** do their best to ensure that the Player is removed from the field of play in a safe manner.
- The Player **MUST** be referred to a medical practitioner for diagnosis and comprehensive assessment, as soon as possible. Player **MUST NOT** be left on his or her own and **MUST NOT** be allowed to drive a vehicle.

Children and adolescents

- Whilst the guidelines apply to all age groups particular care needs to be taken with children and adolescents due to the potential dangers associated with concussion in the developing brain. Children under 10 years may display different concussion symptoms and should be assessed by a Medical Practitioner using diagnostic tools.
- As for adults, children (under 10 years) and adolescents (10 – 18 years) with suspected concussion **MUST** be referred to a Medical Practitioner immediately. Additionally, they may need specialist medical assessment.
- The Medical Practitioner responsible for the child's or adolescent's treatment will advise on the return to play process, however, a more conservative GRTP approach is recommended. It is appropriate to extend the amount of time of asymptomatic rest and/or the length of the graded exertion in children/adolescents.

Children and adolescents must NOT return to play without clearance from a Medical Practitioner.

Stage 2: Graduated Return to Play (GRTP)

The management of a GRTP following a concussion or suspected concussion of a Player should be undertaken on a case by case basis and with the full cooperation of the Player.

Where GRTP IS managed by a Medical Practitioner,

- A Player completing each stage successfully (without the reoccurrence of any symptoms) would take approximately (1) one week to proceed through the full GRTP rehabilitation protocol.

Where GRTP is NOT managed by a Medical Practitioner,

- A Player **MUST NOT** play until at least the 21st day after the incident.

- The GRTP process may commence after a 14 day stand-down period from playing sport and/or training for sport and only if there are no symptoms of concussion.
- Where the Player completes each stage of GRTP successfully (without the reoccurrence of any symptoms), the Player would take approximately (1) one week to proceed through the full GRTP rehabilitation protocol.

If any symptoms occur while progressing through the GRTP protocol, the Player **MUST** return to the previous stage and attempt to progress again after a minimum 24-hour period of rest.

All players MUST complete the GRTP protocol, and MUST have clearance from a Medical Practitioner before they can return to play.

(g) ANNUAL MUDGEES SEVENS CARNIVAL

The following tasks need to be completed early in the season:

- Ensure there are sponsors on board
- Decide on the number of teams to play in the carnival and the tournament rules. Currently being run as a domestic team only carnival with Premier Mens, Womens and Social Mens competitions. Set a date (has been the Saturday after the long weekend in October) and set a final date for entries after which there will be no refunds. (It is important to have a set date so there is no confusion from one year to the next and many teams like to book well in advance)
- Book grounds with Council early in the year
- Apply to Council for events assistance
- Apply to Australian Rugby to sanction the event and when received ensure that event insurance is obtained and paid for with Gow Gates.
- Set up a method of payment and registration via the website and club facebook. Works best when payment has to be made at the same time as registration.
- Begin promoting the carnival early (once the prior points are in place). Send letters/emails to teams that have previously participated. Contact Australian Rugby and have the carnival advertised on the domestic sevens carnival page. Promote on club facebook sites and mudgee sevens facebook site. Send invitation emails and facebook posts to all Central West clubs, Shute Shield clubs, Sub-district clubs, Newcastle clubs, ACT clubs and NSW Country Rugby Union.
- Check with South Sydney referees on their availability. We usually organise and pay for half their accommodation. They are happy to stay at Lion's Drive caravan park – needs to be booked early (Contact: Simon Brown - 0414293493) In recent years they have received \$2000 from the sponsors and they have referee shirts made with the sponsors displayed.
- Check with Karl Fletcher that he is available on the day and willing to provide first aid. Karl has done this in the past without charge as a sponsor but should be asked each year.

- Check with Trent Robertson that he is available to be the announcer on the day.
- Check that the Lion's Club are available and willing to do the gate.
- Book the security for the day.
- Check with the organisers of the Junior NZ Tour if they would be willing to assist with BBQ and Canteen for a donation from the club (decided by the committee to be \$1000)

The following tasks need to be done several weeks before the event:

- Collect prizes for the day and ensure that any trophies are purchased and engraved. Ensure perpetual trophies are engraved with the previous year's winners
- Team registration sheets to be printed and distributed to teams.
- Invites sent to major sponsors and the Mayor.
- Prepare as much of the paperwork as possible i.e. draws, result sheets, instructions, recording sheets, and collect necessary equipment such as folders, clipboards pens and pencils, timing devices, walkie talkies, hooters, ball pump.
- Recruit the personnel required to run the day. Need at least 2 or 3 per ground, 3 or 4 in the central recording position, announcer, bar staff and a couple roaming, one of whom could do the registrations and welcome in the morning and boys and girls to be runners for each ground and ball kids.
- Organise cleaners to clean the stadium after the event.

As close as possible to the closing date for entries:

- Complete the draws
- Send out information packs to the teams and the referees containing the following:
 - Draws
 - Tournament Rules
 - Map
 - Facilities
 - Under age players
 - Insurance information
 - Prizes
 - Passes (Wrist bands) for the team (15) + 2 for coach and manager
 - Team Registration sheets
- Have programs printed
- Prepare whiteboards with pool results and finals draws
- Have the treasurer arrange to collect the prizemoney and have floats for the gate canteen and bar.

Day before the event:

- Make sure all trophies are collected and taken to the field.

- Collect the key to the stadium from the Council
- Collect equipment from the clubhouse and deliver to the ground— side by side, field dressing, hi viz vests, tables, chairs, marquees, 4 match balls, white boards.
- Mark out fields required and erect goal posts where required
- Place advertising for sponsors on field
- Set up corporate room for sponsors
- Place rubbish bins around the fields
- Dress the fields with goal post pads, corner posts etc.

Day of the event:

- Erect marquees on the fields and set up tables.
- Set up welcome /registration table near the entrance.

RUN THE CARNIVAL

This usually happens via a team of 2 or 3 at each ground headed by a ground manager. The referees organise their own roster so need to liaise with them if any late changes. The team at the ground ensures the teams take the field promptly, supply their own touch judge and ball, and keep score. They send the result sheet for each game to a central recording area where records are kept, to determine the finalists. The time keeping is done from the central recording position with games beginning and ending on a hooter.

- Have presentation on the field at the end of the carnival. Invite sponsors and/or Mayor to present trophies/prizes
- Clean up
